

Hallo M.B.M.! Hallo BEATLES-Fan!

Bücher und Service gibt es im Beatles Museum:

GEORGE HARRISON-Buch *I ME MINE*

Abbildungen von links: Buch I ME MINE - OPEN EDITION und I ME MINE - THE EXTENDED EDITION.

Unter Vorbehalt: Es ist durchaus möglich, dass die Abbildung der *OPEN EDITION* eine "vorläufige" ist.

Ebenso ist denkbar, dass die Bücher der *OPEN EDITION* und der *EXTENDED EDITION* identisch sind, soll heißen:

OPEN EDITION ist "nur" das Buch und *EXTENDED EDITION* ist das gleiche Buch plus Vinyl-Single und Beilagen in einer Box.

Verschieben auf 21. Februar 2017 (statt Dienstag, 18. Oktober 2016):

ca. Oktober 2016: Buch *GEORGE HARRISON*-Buch

I ME MINE - THE EXTENDED EDITION. **395,00 € inkl. Versand**

Herausgeberin: OLIVIA HARRISON. Autoren: GEORGE HARRISON & DEREK TAYLOR.

Verlag: Genesis Publications, Großbritannien. ISBN: 9781905662401.

Gebundenes Buch & Vinyl-Single in Box (limitiert, nummeriert und geprägt, 1.000 Exemplare); Gebundenes Buch; Format: 25,4 cm x 19,0 cm; 632 Seiten; 53 Fotos, Abbildungen von handgeschriebenen Songtexten; Information über 141 Songs (59 mehr als in der Erstausgabe), englischsprachig.

Inhalt der Erstausgabe: Introduction; Foreword; Part 1; Photographs; Part 2; List Of Songs; List Of Illustrations; Captions To Photographs; Index; Backword.

GEORGE HARRISON: *"The truth within us has to be realised: when you realise that everything else that you see and do and touch and smell isn't real, then you may know what reality is and can answer the question 'Who am I?'"*

DEREK TAYLOR: *"A book which tells the story of growing up, not necessarily the hard way but certainly not the easy way, for no matter how greatly privilege and wealth may have seemed to grace the BEATLES' evolution, 'easy' is not the word for what happened to them on their way to what has come to be known as The Top."*

The Big Leather Job: For Brian Roylance, the late founder of Genesis, the prospect of publishing the lyrics of GEORGE HARRISON marked a change of direction. Until 1980, Genesis had focused on facsimile editions of rare historical manuscripts.

GEORGE HARRISON: *"There was a feeling we all had, built into us all that something was going to Happen. I felt extremely positive. It was just a matter of time and how to get it happening. Everything had seemed to take years and years. That is where BRIAN was good. He knew how to get it happening. We had felt cocky and certain but when BRIAN EPSTEIN said 'you're going to be bigger than Elvis you know', we thought 'well, how big do you have to be? I mean, I doubt that'. That seemed outrageous yet he did have the right attitude."*

GEORGE HARRISON: *"'I Me Mine' is the 'ego' problem. There are two 'I's: the little 'i' when people say 'I am this' and the big 'I'; i.e. OM, the complete whole, universal consciousness that is void of duality and ego. There is nothing that isn't part of the complete whole. When the little 'i' merges into the big 'I' then you are really smiling!"*

GEORGE HARRISON: "I'm really quite simple. I don't want to be in the business full-time because I'm a gardener. I plant flowers and watch them grow. I don't go out to clubs and partying. I stay at home and watch the river flow."

Presstexte zu früheren Ausgaben:

Magazine "Time Out", 4. Dec. 2011: "**I ME MINE** is a tasteful, expanded reprint of the closest thing to a **GEORGE HARRISON** autobiography."

The "Daily Express" has also given the book a mention: "If sales of **THE BEATLES ANTHOLOGY** are anything to go by, public demand for new **BEATLES** product is as strong as ever. While, **I ME MINE** is not strictly speaking a new book, such is its rarity, except at **BEATLES** memorabilia fairs (at vastly inflated prices) that is 400 pages and 200 illustration will be treated as a newly discovered treasure trove of insider detail about the biggest band in pop history."

Barry Forshaw of "Publishing New", 8. Sept. 2002: "**OLIVIA HARRISON** is not doing any interviews apart from an American chat show (although there has been a lot of interest from the national press) and we do not have serial rights, so we are concentrating on reviews for **I ME MINE**. Capitol Records released two versions of **GEORGE HARRISON**'s last studio album, **BRAINWASHED**, on 19/11. The memorial concert at the Royal Albert Hall has been covered in "Hello" and some nationals."

In conversation with lifelong friend and confidant, **DEREK TAYLOR**, (**GEORGE**'s first-person text is interlarded with **DEREK**'s fascinating observations and explanations) **GEORGE** describes his upbringing, his first forays with the band, the hard life on the road before they began to make money, the extraordinary phenomenon of beatlemania and what it was like to be trapped in the middle of it, his spiritual reawakening in India, his love of fast cars and his passion for gardening. There are 50 archival photographs from his own albums and the lyrics to over 80 of his songs, many in his own hand, accompanied by his uniquely intimate and humorous commentary. Originally published as a limited edition priced at 250 in 1980 and brimming with the wit, warmth and grace that characterised his lyrics and his life, **I ME MINE** is a treasured portrait of **GEORGE HARRISON** and his music.

Presstext von Genesis Publications zur 2016er Ausgabe:

In 1980 Genesis published its first-ever music title: **I ME MINE** by **GEORGE HARRISON**. First published as a limited edition of 2.000 copies, **I ME MINE** was an instant classic and set the benchmark for subsequent Genesis editions.

This autumn, marking our 100th edition since 1974, **I ME MINE - THE EXTENDED EDITION** will be available in bookstores globally. Celebrating **HARRISON**'s life and work up until 2001, the new edition will weigh in at 632 pages. Exclusively for Genesis readers, a limited run of only 1.000 numbered and estate-stamped copies are to be created.

Cherished by fans and collectors, **I ME MINE** is the closest we will come to **GEORGE HARRISON**'s biography.

This 2016 edition has been significantly developed since the book's first printing in 1980. In his own words, **I ME MINE** now covers the full span of **HARRISON**'s life and work with lyrics to 141 songs (59 more than any previous edition), an extended text commentary and new photographs.

At 632 pages, the entire work is reproduced in full colour throughout and is presented for Genesis subscribers as an exclusive book and vinyl boxed set of only 1.000 numbered and estate-stamped copies worldwide.

I ME MINE - THE EXTENDED EDITION marks Genesis's 100th book since the company's founding in 1974. The limited edition is printed on Italian art paper at 255mm x 190mm (10" x 7 1/2"), with only 1.000 copies being created. Featuring a new cover design by Shepard Fairey, the book is quarter bound by hand and finished with gold foil blocking and gilt page edging. Each book is numbered and authenticated with an estate stamp.

Presented in a cloth-bound solander case, the boxed set also contains a specially pressed marbled 7" vinyl record, featuring two, yet to be confirmed tracks. The record is only available with this limited edition.

Viele Grüße sendet Dir das Team vom Beatles Museum

Stefan, Martin, Daniel und sonntags Julia
