

## **BEATLES-CHANGED THEIR WORLD-Bücher aus GB und USA**

Donnerstag, 10. August 2017: **Buch *THE BEATLES***

**- *THE BAND THAT CHANGED THE WORLD.* 29,95 €** [MEHR INFO](#)

Autor: Terry Burrows; Verlag: Carlton Books Ltd, Großbritannien.

ISBN-10: 1780979290; ISBN-13: 978-1780979298.

Gebundene Ausgabe, Hochformat: 29,0 x 25,2 cm;

196 Seiten; sehr viele Schwarzweiß-Fotos; englischsprachig.

### Presstext:

Follow The Fab Four from the back streets of Liverpool to worldwide fame!

Through beautiful photographs of the band, and of unique memorabilia from their most groundbreaking moments, this unofficial book tells the story of the BEATLES as never before. Starting in their hometown of Liverpool, it then traces the group to the dive bars of Hamburg; to America, as they appeared on the *ED SULLIVAN SHOW* and performed sold-out concerts in Shea Stadium; and to the studio as they abandoned live shows and strived for musical perfection.

The Beatles takes you as close as you can get to that wild ride that spanned two decades and changed the world forever.

Dienstag, 7. Februar 2014: **Buch *THE BEATLES - SIX DAYS THAT***

***CHANGED THE WORLD FEBRUARY 1964.* 23,95 €** [MEHR INFO](#)

Autor: Bill Eppridge; Verlag: Rizzoli, USA. ISBN 978 0847841059.

Gebundene Ausgabe, Hochformat: 26,2 x 20,0 cm;

114 Seiten; sehr viele Schwarzweiß-Fotos; englischsprachig.

### Presstext:

Publishers Weekly: „*This largely unseen collection of photos by award-winning photojournalist Eppridge (on assignment for Life magazine) celebrates the 50th anniversary of the Beatles' now famous first American tour ... The exuberance and magic of the event shines through in Eppridge's spontaneous and moving shots of casual moments ... The book offers 160 stunning black-and-white images culled from the 90 rolls Eppridge shot during the six days he spent with the band ... Organized by day and featuring detailed captions for each image, the book allows readers to relive the excitement of a nation witnessing these four Liverpool lads' rise to stardom.*“

Photo District News: „*There is an innocence to the images in **THE BEATLES SIX DAYS THAT CHANGED THE WORLD** ... The photographs show a fresh-faced group of musicians, gracious and grateful and not yet jaded by their fame. The world was smaller then, and the foursome appears genuinely enthralled with the United States. Even the fans who followed the band seem virtuous in their headbands and cardigan sweaters.*

*This is, of course, the start of Beatlemania, which would eventually spread across the globe. Luckily Eppridge was there to capture the frenetic energy of a generation enthralled.“*

Hunger TV: *„...the book contains rare and mostly unseen images from the band’s US tour. Eppridge, an eminent photojournalist, expressed a desire to capture the moments of the tour as they occurred, without any of his own orchestration or input. The result is a set of pictures that evoke the excitement, discovery and sheer mania of the Fab Four’s initial contact with America. The band’s Plaza Hotel room, Central Park, the British Embassy, and the **ED SULLIVAN SHOW** are just a few of the locations that are featured in the images.“*

Vanity Fair: *„Eppridge’s **BEATLES SIX DAYS THAT CHANGED THE WORLD** is fab.“*

Los Angeles Times: *„Photographer Bill Eppridge was on assignment for „Life“ magazine to shoot the Beatles as they landed in New York, and he stayed with them as they horsed around, posed with fans and played the concerts that made history. The photos - most never before published - are intimate, casual and show the band members having fun in the moments when they launched a new kind of rock 'n' roll stardom.“*

Parade: *„See the intimate fly-on-the-wall images from the six days that transformed the Beatles from an English band to international pop sensations and evoke the excitement and mania of the Fab Four’s first contact with America.“*

CT Post: *„**SIX DAYS THAT CHANGED THE WORLD** takes fans through those first magical days in 1964, helping readers experience them just as Eppridge and the Beatles did through the black-and-white images.“*

## Viele Grüße sendet Dir das Team vom Beatles Museum
