Presstext:

RINGO AND HIS 10TH ALL STARR BAND performed their last show at the Greek Theater in Los Angeles California on August 2, 2008. With stars above them and all around them, they played an exuberant set that included highlights spanning RINGO's entire career, from BEATLES classics to solo hits. The show at the Greek was the culmination of a fantastic summer playing music on the road.

This July 27 Hip-O/UME are proud to announce the release of the RINGO STARR'S ALL STARR BAND *LIVE AT THE GREEK THEATRE 2008* on CD and DVD, also available in 5.1 Surround Sound.

More than a memento of a wonderful show, this is a remarkable playlist of music you know and love which is enhanced by the pleasure the musicians had playing it, and the fun the audience had hearing it. Each ALL STARR Tour is unique, a collection of individual musicians who have never come together before and played as this particular band. So each version of their hits has a quality that is distinct to this specific group. There is a palpable exuberance and joy that comes through every one of these remarkable songs.
