Presstext:

With such coverage and interest in THE BEATLES, how can there be anything new to say about the band? This book manages to do so thanks to the remarkable collection of photographs housed in Mirropix, the library of the *Daily Mirror*, Britain's premiere popular daily. Mirropix has a sensational collection of material taken to feed an insatiable desire to see the band, its families, hangers on and what they did. Record launches, publicity events, holidays: everything was photographed and the best of best is presented here in this lavish and exceptional volume.

This book is the perfect gift for any music lover or fan of THE BEATLES, and contains a chronological narrative of all the major events of the 1960's. Each year is given a full spread to diagram each happening of the year, and each photograph is captioned and contextualized with an accurate explanation. The book was compiled by an author with a great pedigree in the music business and in music publishing, and combines exciting photographs with memorabilia and visual snapshots of THE BEATLES' life and career as Britain's Number 1 band. Anyone who lived through the 1960's remembers THE BEATLES and with digital remastering of their music, younger generations now know them well too. Their songs will continue to touch the hearts of readers forever.

RINGO - WITH A LITTLE HELP. 37,90 €

Autor: Michael Seth Starr. Verlag: Hal Leonard Corporation, USA.

Gebundenes Buch; Format 22,9 cm x 15,2 cm; 256 Seiten; mit Farb- und ? Schwarzweiß-Fotos; englischsprachig.

Presstext:

RINGO - WITH A LITTLE HELP, is the first in-depth biography of BEATLES drummer RINGO STARR, who kept the beat for an entire generation and who remains a rock icon over fifty years since THE BEATLES took the world by storm. **WITH A LITTLE HELP** traces the entire arc of RINGO'S remarkable life and career, from his sickly childhood to his life as The World's Most Famous drummer to his triumphs, addictions, and emotional battles following the breakup of THE BEATLES as he comes to terms with his legacy. Born in 1940 as RICHARD STARKEY in The Dingle, one of Liverpool's most gritty, rough-and-tumble neighbourhoods, he rose from a hardscrabble childhood - marked by serious illnesses, long hospital stays, and little schooling - to emerge, against all odds, as a locally renowned drummer. Taking the stage name RINGO STARR, his big break with THE BEATLES rocketed him to the pinnacle of worldwide acclaim in a remarkably short time. He was the last member of THE BEATLES to join the group but also the most vulnerable, and his post-BEATLES career was marked by chart-topping successes, a jet-setting life of excess and alcohol abuse, and, ultimately, his rebirth as one of rock's revered elder statesman.
