Presstext:

"14 SONGS THE FAB OUR NEVER RECORDED the most important thing, that which defies time, is the work itself", Jean Malaurie, Collection Terre Humaine, Plon

All the fans of this legendary band, who count more than a million in France alone, think that they possess and know its entire repertoire ... However, it's incomplete, at least 1' songs are missing: enough for an entire album! We have created it, with a group of professional musicians. 14 Songs, is, in fact, the 14th album, of songs by the BEATLES.

The story behind the CD **14 SONGS THE FAB OUR NEVER RECORDED**

Beyond the 13 albums (LPs) that the BEATLES published with EMI, JOHN LENNON, PAUL McCARTNEY and GEORGE HARRISON wrote other songs, such as these 14 superb tracks between 1963 and 1968 that the BEATLES did not release at that time. Either because they had too many songs for the album they were recording or because the balance between the songs that JOHN wrote and that PAUL wrote would not be equal; but especially because they truly wanted to contribute to the success of other artists like cours, BILLY J. KRAMER, PETER & GORDON, CILLA BLACK (friends and colleagues from Liverpool), MARY HOPKIN, JACKIE LOMAX and BADFINGER signed by their own label APPLE RECORDS. These had some success in the Top Ten for example, *Come And Get It*, *Step Inside Love* etc. Unfortunately these songs have almost disappeared ...

The album **14 SONGS THE FAB OUR NEVER RECORDED**

The musicians of the BLF ROCKBAND have breathed life back into these little masterpieces with the energy and sound quality of today. It is most certainly not a tribute band because it's not possible to reproduce something that's never been recorded! On the contrary it's a true artistic endeavor.

11 musicians (rock and classical) participated on this album. 6 musicians, chosen from a challenging set of auditions, form the group which performs the songs live on stage; these unknown gems offset majestically by some of the greatest hits of the BEATLES.

The independent producer of the CD **14 SONGS THE FAB OUR NEVER RECORDED** for which I was a consultant, is a longtime friend. We all agreed that this album would be of interest primarily to connoisseurs of the work of the BEATLES, many of whom are in clubs and fan pages on Facebook. Maybe it would be of interest to you for your members to receive a special discount, or maybe even to produce an edition especially for your club with your club logo.

Viele Grüße sendet Dir das Team vom Beatles Museum, Alter Markt 12, 06108 Halle (Saale)
